**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner in a very expensive market. I use sonic internet for its better quality service and they actually listen to me, arrive when they are supposed to and generally dont act like the un-American faceless monopolies that rule most of the media landscape.

Broadband needs competition and dsl has allowed me to save money for my home and family. Do not let US Telecom destroy the remaining amount of competition in the ISP marketplaces. I want a choice, not a monopoly!
